

# TREATING TOBACCO DEPENDENCE IN BEHAVIORAL HEALTH SETTINGS

Treating Tobacco Dependence in Behavioral Health Settings is a two-day CME/CE certified training developed and presented by Rutgers Robert Wood Johnson Medical School Addiction Psychiatry Division for nurses, counselors, psychiatrists and other behavioral health professionals. The course prepares practitioners to effectively deliver tobacco (**cessation**) services to smokers with substance use and behavioral health issues.

**Registration Fee \$35.00:** Fee includes tuition, handout materials, continental breakfast, lunch, continuing education credit and certification costs.
